

14 November 2024

**Statement on Compliance with the EU General Product Safety Regulations**

To whom it may concern,

At Epson, we are committed to maintaining the highest standards of product safety and quality. We confirm that Epson will be fully compliant with the EU General Product Safety Regulations (GPSR) 2023/988/EU, which will come into effect on the 14<sup>th</sup> of December 2024.

Epson products comply with the appropriate EU directives. Some products not covered by these EU Directives, comply with the GPSR. Epson is committed to providing and maintaining the highest standards of product safety and quality for all our products.

To complete your databases and support you to comply with the obligations the GPSR puts on you as an economic operator we would like to provide you with the addresses of the Manufacturer and the Authorized Representative:

**Manufacturer**
